The screenshot shows the IBM Cognos Analytics interface. A modal dialog titled "Select a source" is open, displaying a table of available data sources. The dialog has a close button (X) in the top right corner. The table has three columns: "Name", "Type", and "Last Accessed". There are two data sources listed:

Name	Type	Last Accessed
50_Startups.csv	Uploaded file	9/20/2022, 9:25 AM

At the bottom of the dialog, there are two buttons: "Cancel" and "Add". The "Add" button is highlighted in blue.
